NOTICE OF EXTENSION OF PUBLIC COMMENT PERIOD REGARDING AN APPLICATION FOR A PERMIT TO CONSTRUCT AND OPERATE AN AIR POLLUTION-EMITTING SOURCE

PROPOSED ACTION: Southeast Idaho Energy, LLC (SIE) has applied to the Department of Environmental Quality (DEQ) for a permit to construct its Power County Advanced Energy Center (PCAEC). SIE proposes to gasify coal and manufacture ammonia, urea, and urea ammonium nitrate at a new facility to be located on Lamb Weston Road, approximately two miles southwest of American Falls. DEQ has reviewed the application and has developed a proposed air quality permit to construct.

EXTENSION OF PUBLIC COMMENT PERIOD: Notice is further given that DEQ has extended the deadline to 5:00 p.m. MDT, November 24, 2008, by which the public may submit written comments under Docket No. AQ-0819, Project No. P-2008.0066, concerning the air quality aspects of the project application and the proposed permit in accordance with IDAPA 58.01.01.209. The application materials, the proposed permit, and Statement of Basis are available for public review on DEQ's website at www.deq.idaho.gov. You may elect to sign on to DEQ's list serve and receive electronic information automatically at www.deq.idaho.gov.

Comments, requests, and questions regarding the public comment process should be directed to Faye Weber, Department of Environmental Quality, 1410 N. Hilton, Boise, Idaho 83706; faye.weber@deq.idaho.gov; or on DEQ's website. Please reference the company name and docket number when sending comments or questions.

For technical assistance on questions concerning this project or the permitting process, please contact Cheryl Robinson at (208) 373-0502 or cheryl.robinson@deq.idaho.gov.

All written comments concerning this proposal must be directed to and received by the undersigned on or before 5:00 p.m. MST/MDT, November 24, 2008.

DATED this 22th day of October, 2008.

Faye Weber Air Quality Division
